OBJECTIVE

Transition from a fulfilling career in education to a business analyst concentrating on my strengths in math, problem solving, and organization in a digital environment. As a young professional, I seek a company that is goal oriented, while continuing to make a difference in our community. I'm also looking for a dynamic company willing to invest in my growth where I can have a long and successful career partnership.

EDUCATION AND TRAINING

Full Stack Coding Bootcamp: UTSA | San Antonio, TX | Completion in July 2022

Bachelor of Science: Kinesiology | Texas A&M University | College Station, TX | August 2016

SKILLS

- *Programming/Coding:* HTML, JavaScript and CSS
